Killybegs Fishing Trips

Killybegs Fishing Charters

SIGHTSEEING - TOURS - ANGLING - SURVEYS - CORPORATE

GUIDELINES RE COVID-19 & OUR CHARTERS. (Updated 01/04/2022)

While Government restrictions have been lifted, due to continuing high numbers of the Corona Virus cases we would like passengers to continue to follow the following guidelines

General Information

- While social distancing measures are being advised we have to limit the number of anglers aboard to a maximum of 6 which achieves 2M separation.
- Meet at boat as per normal, adhering to social distance measures.
- We have a large supply of hand sanitiser, dispensers and antibacterial wipes & handwash and a new cleaning regime.
- Anglers will be requested to sanitise their hands as they step aboard and encouraged to do so when leaving.
- Antibacterial handwash will be readily available for anglers through the day.
- Boarding of the boat will be done in the order displayed. Disembarking a reversal of embarkation.
- Each 2m Social distance area will be clearly marked on deck, and rails!
- Anglers will be expected to respect these areas & not move around the boat.
- There will be no access to the cabin for storage of personal items or seating whilst traveling, Please consider lightening your load in order to create more space around the boat and plan for all weathers.
- We will not be supplying tea or coffee, or any cooking facilities.
- We have increased the number of rubbish bins on-board and request they are used as per normal from your allocated position. We will dispose of the rubbish at the end of the day.
- Toilet access will only be available in extreme circumstances on the Fiona Tee. Toilet facilities will be cleaned & disinfected every evening.
- If an angler uses the toilet facilities, they are requested to wipe down all surfaces after use with the anti-bacterial wipes and dispose of the wipe in the bin provided. NO WIPES ARE TO BE PUT IN TOILET.
- We have increased the number of Buckets of salt water provided on deck.
- Additionally, individual brush heads and bait boards can be supplied, although we suggest each angler bring their own bait board, and bait preparation tools.

Killybegs Fishing Trips

Facemasks & Visors
Facemasks & Visors are not compulsory; they are optional for anglers. We encourage all anglers to come equipped with anything they feel comfortable and safe with — Facemasks, Visors, Gloves, Wipes, etc.

Individual, and full boat Charter bookings.
Charters: With the reduced number of 6 allowed aboard we understand this may not work for some groups, please get in touch asap if this is the case.
This will be implemented from June 10th, until social distance rules change, and will be under constant review as per Government guidelines.

Payment
We can take cash payment, you are encouraged to have the correct amount. PayPal payments are accepted, these electronic transfers are to be made on the day before your trip once sailing is confirmed.

Hire rods & reels
Our rods and reels are available for hire, however, given the Covid-19 lifespan of up to 3 days rods will not always be available.
Rod hires must be pre-booked.
We intend to wash down and sanitize each rod and reel after use. They will be separated from the others and left for a period of 3 days before being used again.

General & Deep Cleaning
We expect everyone aboard to help clean fishing related mess in their allocated area. This will give us a better platform for a deep clean once everyone has left the boat.
Once anglers have disembarked, we will clean the whole boat deck, handrail & gunwale with disinfectant & sanitisers in preparation for the next day.

Responsibility
As a licensed business Our Duty of Care at sea remains unchanged and we strive as ever to offer an enjoyable, successful and safe time afloat.
During the COVID19 pandemic we are all ultimately responsible for our actions and ensuring the safety of ourselves and all around us. Please be thoughtful and considerate to everyone you meet on the quay and aboard our boats, it is as much for your safety as others.

Considerations
All anglers are requested to adhere to social distancing measures on the short journey from your car to the boats and while waiting to board the boats. Please give due respect to other road users, workers, pedestrians etc.

Tackle
Tackle - we encourage anglers to provide their own end tackle, however end tackle can be provided by us, along with rod hires as per pre-booking.

Happy sailing and Tight lines to all aboard the M.V. Fiona Tee
